Chabad Lubavitch of Greenwich is a community that welcomes people of diverse Jewish backgrounds and all ages. Through its philosophy of applying Jewish wisdom to meaningful living and under the guidance of the Rebbe, Rabbi Menachem M. Schneerson, of righteous memory, the Chabad movement established centers around the globe that serve as bastions of Jewish vibrancy, warmth and inclusiveness. Chabad of Greenwich is a synagogue-center that provides educational opportunities and social services to all who seek to study, share and grow.

While Chabad worldwide is bound in its beliefs and aspirations, each center is an independent entity and financially self-supporting. Each penny they raise comes from generous donors in Greenwich and remains there. For more information please visit:
