 I love this photo of music Legend Cyndi Lauper and actor Billy Porter winning Tony Awards for Kinky Boots in 2013. Tony winners, Alan Cumming and Kristen Chenoweth, are adorable hosting the 2015 Tony Awards. Here is Kelli O'Hara winning her first Tony Award, after 7 nominations, looking elegant in an Oscar de La Renta dress and Jimmy Choo Shoes.

Lucy Fans Unite with ZOOM — by Glen Charlow

glencharlow@gmail.com / www.LucilleBall.net

In these times of hardship and quarantine where the Government has required us to stay at home, I find myself not being able to share my vast collection of Lucille Ball with friends and fans. Now, through the wonderful internet technology of Zoom and the enterprising idea of a Lucy Fan, it's possible!

of Lucy take part in these Zoom chats. **Rick Carl**— Co-Host and Producer of the chats, has been a longtime Lucille Ball collector and admirer. He has illustrated hundreds of images of the redhead over the years, including 3 book covers and has contributed material to magazines, DVDs and documentaries on Lucy. Most recently, Rick was hired by CBS Studios to be the color consultant for the colorized "I Love Lucy" specials and DVD. **Tom Watson**— Co-Producer of the zoom chats is the author of three books about Lucille Ball and "I Love Lucy." Tom headed the Lucille Ball fan club for over 20 years, and worked for the lady the last few years of her life. He was an assistant to the producers of the "Life With Lucy" TV series, and produced six annual Lucille Ball fan conventions between 1996 and 2001, held in Burbank, California.

Anytime, anywhere, it's always fun to talk about the one and only— LUCY.

Thanks to Rick Carl for his help with the zoom graphic and this story.

Michael Stern— Lucy's #1 fan (dubbed by the lady herself) and author of "I Had A Ball- My Friendship with Lucille Ball" decided to get all of the collectors together by hosting Zoom chats to talk about Lucille Ball. The fans haven't been together since the Lucy Conventions ended in 2001. We talk about our collections, Lucy's movies, "I Love Lucy," her other TV shows, specials, and, oh yes, the redhead herself. Discussions have included people such as **Peter Ackerman**— son of Harry Ackerman, CBS executive, **Randy Doney**— actor/dancer on many TV Shows, and a chat about Lucy's longtime costume designer, **Elois Jenssen**. As Lucille Ball is such a beloved American icon, the fans have no problem coming up with countless topics, thus making these Lucy Zoom chats the place to be on Saturday afternoons.
