The Andre L. Music and Arts Conservatory, a not-for-profit 501 (c)(3) organization, is launching a two million dollar expansion fundraising drive. Plans are underway at their Cresskill location and a proposed Manhattan location to add Dance, Theatre and Visual Arts divisions. Founded by Andre L, the conservatory seeks to instill a passion in youth for the fine arts, through outreach programs to all schools and after-school programs. Programs are provided for all children throughout the tri-state region but are particularly targeted towards students with economic needs whom otherwise

would not be exposed to the arts. Additionally, Andre L, staffs a conservatory in Cresskill, New Jersey, that provides area youth with specialized training to achieve world-class goals within the classical music sphere. Private instruction is currently provided for voice, piano, strings, brass, woodwinds, guitar and percussion. As their endowment increase, more need and talent base scholarships will be available.
